## INITIATIVES

ACE Insurance Brokers Private Limited has undertaken a diverse range of Corporate Social Responsibility (CSR) projects over the years, either directly or through designated implementation agencies.

These initiatives reflect the company's enduring commitment to social impact and inclusive development.

Key areas of CSR engagement include:

- Facilitating **free heart surgeries** for underprivileged children
- Providing **free education** to underprivileged and marginalized children
- Offering **free child healthcare services** to economically weaker sections
- Supporting educational programs, cultural events, and community development initiatives
- Promoting vocational skill development to enhance employability
- Contributing to **martyrs' welfare** and supporting the families of fallen soldiers
- Providing **medical relief and treatment** to underprivileged individuals
- Implementing **livelihood enhancement projects** for differently abled individuals
- Working towards the **eradication of hunger, poverty, and malnutrition**
- Promoting **healthcare services**, including **preventive care** and **sanitation initiatives**

These efforts are aligned with the company's vision to contribute meaningfully to society and support the nation's broader developmental goals.
